

CAMP TEKOA

2026 Camp Guide

Touching hearts.

Changing lives.

Sharing the light of Christ.

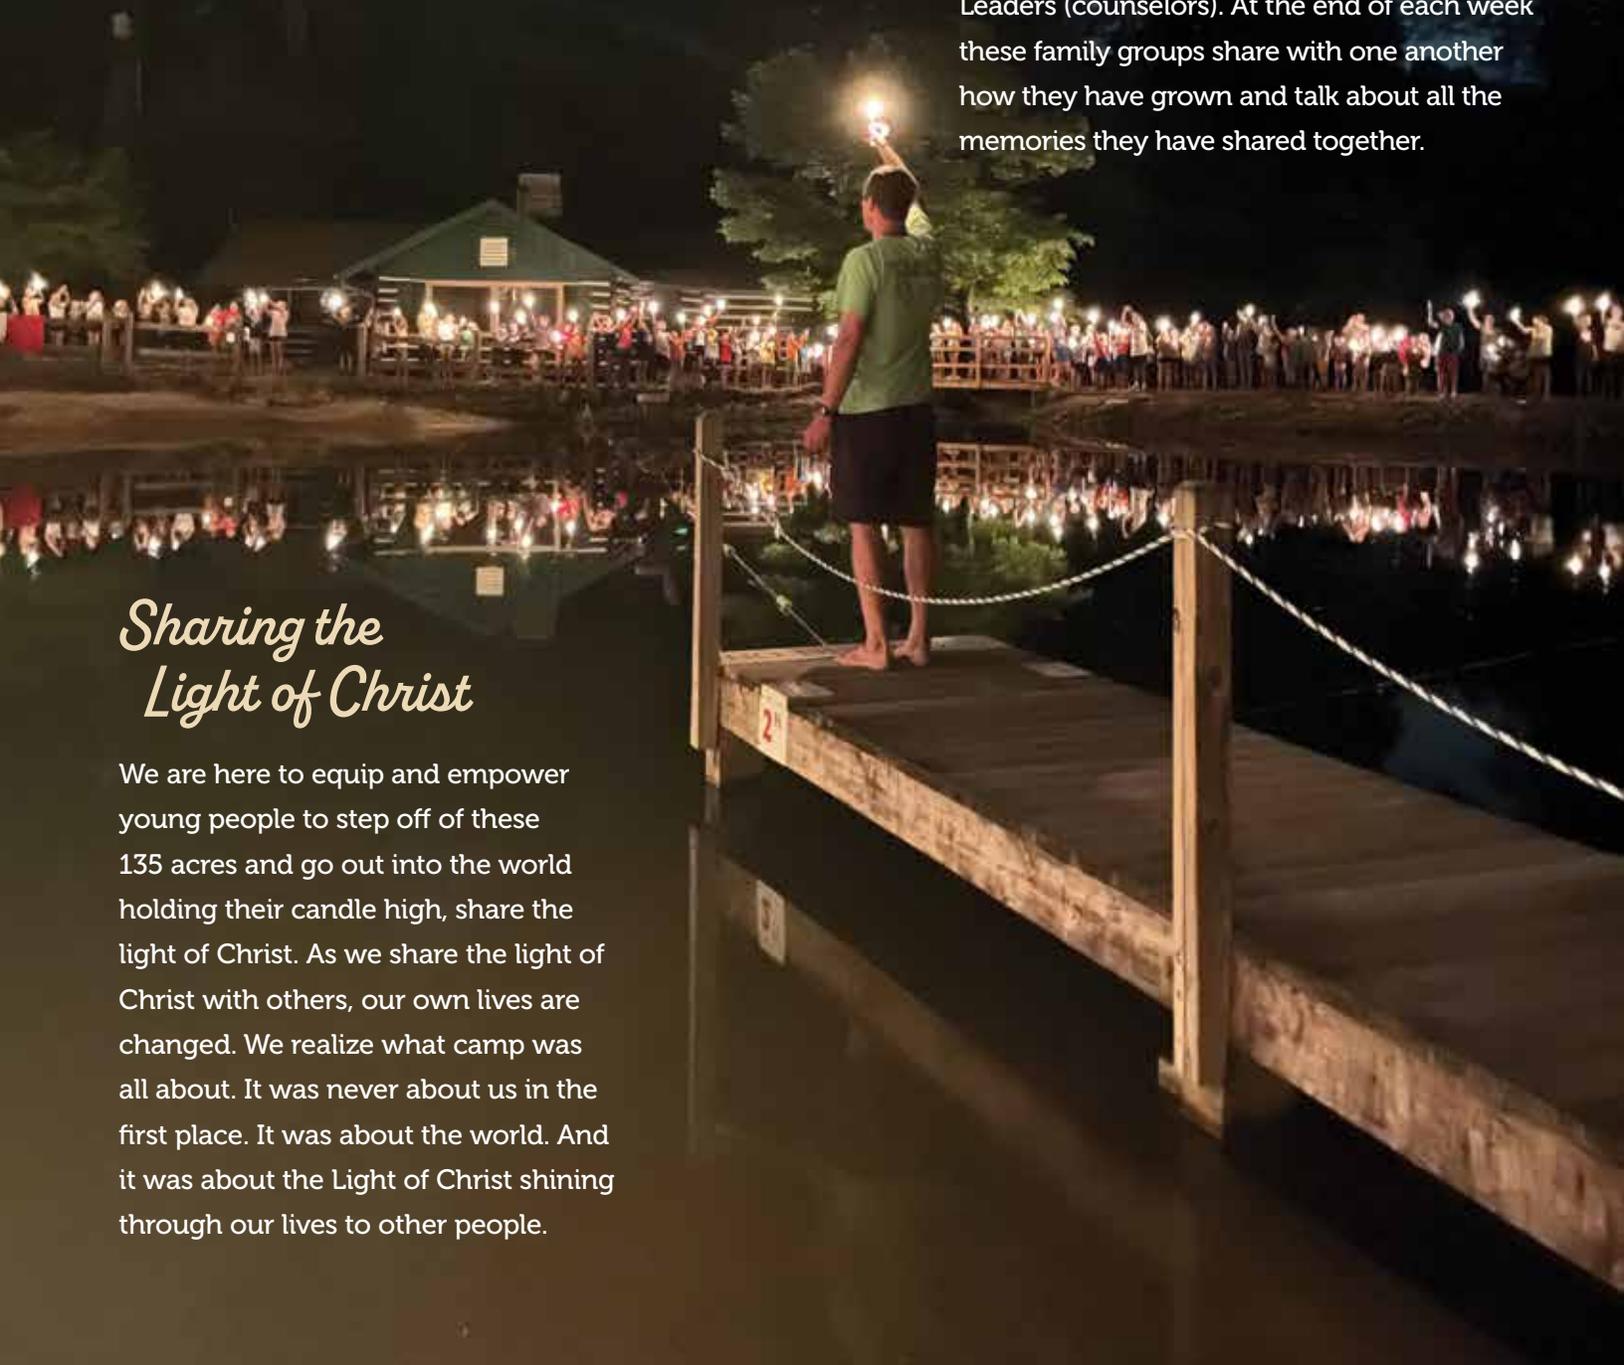

IN ASSOCIATION WITH

The
TEKOA
Way

Camp Tekoa is built on Christian principles. Everything we do is built around our mission. Every child is valued and belongs here. From the adventure trips off-site to our weekly talent show, we strive to help each camper step into who God is calling them to be. Because we strongly believe in community, camper groups are organized as Family Groups and are led by Family Group Leaders (counselors). At the end of each week these family groups share with one another how they have grown and talk about all the memories they have shared together.

Sharing the Light of Christ

We are here to equip and empower young people to step off of these 135 acres and go out into the world holding their candle high, share the light of Christ. As we share the light of Christ with others, our own lives are changed. We realize what camp was all about. It was never about us in the first place. It was about the world. And it was about the Light of Christ shining through our lives to other people.
