OVERVIEW

Day camps operate

Monday – Friday, 8:30am – 4:30pm

Elementary Day campers are divided, based on their age, into co-ed groups of approximately 11 campers and are led by two or more senior staff or staff assistants. Camp Tekoa provides a snack and drink, as well as drinks for lunch. Campers will have non-stop fun each day! Elementary Day Camp activities are designed specifically for this younger age group. Almost all activities are conducted on-site and may include nature hikes, scavenger hunts, devotions, challenge course, swimming, paddle boating, hayrides, arts and crafts, games, songs, zipline and more. We have occasional field trips throughout the summer. Like our overnight camp, all activities are centered on our mission statement of "Touching Hearts, Changing Lives, and Sharing the Light of Christ." Keeping this emphasis helps lift up and encourage our campers in a positive way.

Each day, campers should bring a backpack and the following items: sack lunch, change of clothes, bathing suit (one-piece for girls), towel, hooded rain jacket, sunscreen, sturdy shoes and a water bottle. Please put your camper's name on sack lunches and other belongings.

Adventure Day Camps and Middle School Day Camps have additional activities that might possibly include an offsite waterfall trip (variable based on transportation). They will have all the in camp adventures of elementary with even more challenges for their age.
